AUBURN UNIVERSITY GRADUATION DVD

Auburn University has produced a DVD capturing all the sights and sounds associated with its commencement ceremony: the proud families, inspiring speeches and excitement of graduates as they cross the stage to receive their diplomas.

Now you can relive these moments with family members and friends who were unable to be present at this special occasion.

Because our office only orders DVDs once per graduation, Auburn University Photographic Services must receive orders within two weeks of the commencement exercise to ensure that your order is filled.

Please allow four to six weeks for delivery of your order. Make checks or money orders payable to Auburn University.

***** This DVD does NOT include graduation exercises from the School of Veterinary Medicine or the Harrison School of Pharmacy*****
